Attention- Changes to Clarkdale's Landscape Ordinance Under Consideration

The Town of Clarkdale Planning Commission is recommending an update to Chapter Nine of the Clarkdale Zoning Code related to Landscape Design Standards. The recommended changes strengthen the incorporation of sustainable landscaping concepts into landscape plans for commercial and multi-family projects and encourage preservation of existing landscaping. The update to the code includes amendments to the approved plant list to allow flexibility in landscape design.

The amended code is available for review on the Town's website at [Landscape Design Standards Draft Changes](#).

Comments and questions may be submitted to Beth Escobar, Planning Manager at 928-639-2500 or beth.escobar@clarkdale.az.gov.

The proposed changes are tentatively scheduled to be reviewed by Clarkdale Town Council on Tuesday, March 12th at 6:00 p.m.

Clarkdale, AZ
